Title Culture of the natural order Irideae.

MLP 631

Abbreviated reference Hort. Reg. + Gen. Mag. 3 (32): 65-68. 1834 [1 Feb.]

Notes ⁽⁷⁾ Besides culture a considerable part of the article is taken up by information on origins, + a list of the genera, etc.

(V) N.B. I should think that 'natural' in the title is certainly a mistake for natural.
