BIBLIOGRAPHIA HUNTIANA / Form B — Botanical articles

Author(s) BANKS, (Sir) Joseph.

Title A short account of the cause of the disease in corn, called by farmers the blight, the mildew, and the rust.

Abbreviated reference Ann. Bot. (König & Sims) 2, ⁽¹¹⁾ ~~Wb~~ : 51-61. pls. 3-4. 1806, [June 1805]
MLP
137

Notes ^(Y) Eds. note. In the last number they had announced that it was the intention of Banks to publish an account of the blight in wheat, with highly magnified drawings by Bauer. Copies had been separately published and gone out to cultivators and naturalists. To draw the attention of more botanists to the subject, Banks had given the copper plates of Bauer's drawings to the editors of Annals of botany.
