Notes Translated by W. S. W. Ruschenberger, M. D. U. S. Navy, from the
~~Mercurio Chileno~~. Incl. descriptions for some, locations, and
 uses. Also local names. Arranged alphabetically by genus.

For subsequent history of Mercurio Chileno see op. cit. 23 (2): 269.

C. G. Bertero, after the revolution of 1829, embarked for an expedition
 in the Sandwich Islands, but is presumed to have perished, with the large
 collection assembles in Hawaii, on the return journey.
