Notes

[Bullock, N.A., Kew Bull. 53: 65. 1833 advocates that there will be a preprint
of this, since other papers later from this journal were pre-published, &c. Don. G.]
[Rogers, Taxon 2: 181-182 maintains 1811 in absence of proof to the contrary.]
[Stearns, Introd. to R. Brown's Prodr. XXIX (prefixed to Facsim. Hist. Nat. Class.)
says 1870 - see there
as preprint]
