Author(s) CANDOLLE [Augustin Pyrame].

<sup>P</sup> Candolle, Augustin Pyramus de

Title Sur la plante qui produit l'huile de Ramtilla.

Abbreviated reference ~~Arch. Découv. Invent. Nouv. [26] ... pendant l'année 1834: 60-61. 1836.~~

Arch. Découv. Invent. Nouv. 1834: 60-61. 1836

MLP 226 A

Notes <sup>(X)</sup> On the plant which produces ramtilla oil. The oil comes from the seeds of a family of compositae which have been wrongly mentioned by various authors under the names: verberina sativa, Sims., bidens ramtilla, Wall., buphtalmum ramtilla Ham., On closer examination the author found that the plant did not come in any of these and that it constituted a genus on its own. Candolle called it ramtilla.
