Author(s) [Bartholin, Thomas] ~~Wolff, Odo~~
in part

^p Bartholin, Thomas

Experience

Title Et forsøg med Betonie-urten. [[~~an experiment~~ with the betony]]

Abbreviated reference J. Bolit. 1828^I(²): 101-102. 1828_x [Feb.]
MLP 3297A

Notes

Extracted and translated, by O. Wolff, editor, from Historiarum anatomicarum et medicarum rariorum centuriae 1-6. København. 1654-1661. Here the effect on headaches, and "senses" in general, as reported by the Roman physician Antonius Musa in De herba betonica, and, more contemporaneously, by the apothecary Esaias Fleischer, in Copenhagen.

(Annot)

by Wolff, O.

① Translated extract from ^{*}Historiarum anatomicarum et medicarum rariorum centuriae 1-6. {København} 1654-1661
