

BIBLIOGRAPHIA HUNTIANA / Form B — Botanical articles

Author(s) Candolle, Augustin Pyrame

Candolle, Augustin Pyramus de

Title Sur la force de vitalité de quelques plantes grasses.

Abbreviated reference Arch. Découv. Invent. Nouv. 1820: 31-32. 1821

MLP 226A

Notes

(X) Grasses can exist much longer without much nutrition than all other plants. Carried out experiment in greenhouse to prove this on semper vivum named afterwards by Sims, semper vivum ciliatum.
