

BIBLIOGRAPHIA HUNTIANA / Form B — Botanical articles

Author(s) ^P CHAPELIER, (Abbé) []

Title Extrait d'une lettre du [C. Chapelier], botaniste, voyageur de la République française,
au C. Thouin, Professeur du Muséum d'Histoire naturelle.

Abbreviated reference ^{MLP 482} Décade Philos. 1798/1799. I(1): 46-47. 1798/1799 [1 Oct. 1798]

Notes ^(U) From Île de France, dated 21 June 1797 (3 Mess. an V). ^(X) Chapelier was on the point of
setting out for Madagascar. Outlined his plans for the study of the Île de France
and its improvement agriculturally; his intention was to bring back trees and plants
for the island. He had already introduced "petit riz de Chine," [Oryza sativa?]
rattan and cochineal.
