

B

Author(s)

F. S. C. [Constantino, Francisco Solano]

Title

[A general theory on the organization of plants.]

Abbreviated reference

Ann. Sci. Soc. Portug. Paris 7: Pt. Segunda 75-78. 1820
MLP 177 A

Notes

(X) Discusses ideas presented by the following: Cassini, m. de, Du Petit Thouars, m. de Trave, m. Richard, m. Michel, m. de, Candolle and M. C. Kunth (publications not cited). The principal question seems to be the classification monocotyledon and dicotyledon versus Eudicotyledon and Eudicotyledon.

(V) Part of article titled: Resumo dos mais notaveis descobrimentos e principais trabalhos nas sciencias, no anno de 1818.
Botanica
