

BIBLIOGRAPHIA HUNTIANA / Form B — Botanical articles

Author(s) Cutter [?], Dr.

Title Vračebnoe dejistvie kartofelja. [Medicinal effects of potatoes]

Abbreviated reference *MCP 2605 (Sanktpeterburg)*
Voenno-Med. Žurn. 20(3): 337-342. 1832 [after 1 Oct.]

Notes From "Notizen von Froriep, vol. 31, No. 4. From the Cyrillic transliteration it is impossible to say whether the original author's name is "Katter", "Cutter", or still another variant, as the Russian transliteration is based on an approximation of the sound in the source language.
