~~Procès-Verbal Séance Publique Soc. Libre Émul. Liège. 1817 : 45. 1817.~~

Procès-Verbal Séance Publique Soc. Libre Émul. ^{Liège} ~~Liège~~ Liège. 1817: 45. 1817

MLP 39 75A

Notes ^(x) In his report on the year's work of the Society, Dejaer mentions that the Comité pour l'Agriculture had put forward the idea to establish a botanic garden at Liège, which would serve as a public garden at the same time. It would be similar to that at Ghent, holding annual exhibitions of shrubs and other plants. The proposal was turned down by the Governor of the province.
