BIBLIOGRAPHIA HUNTIANA / Form B — Botanical articles

Author(s) DESFONTAINES, [René Louis] ^P Desfontaines, René Louiche

Title Observations on the culture and economical uses of the date tree.

MP 2/28

Abbreviated reference Lit. Mag. & Brit. Rev. 2 (4): 277-280. 1789 [Apr.] [^{< after 1 May >}]

Notes Tran⁵lation; no translator given.
Principally an article on culture and economic uses, he also gives some locations of the date palm in Africa, some account of how the Arabs fertilize the female flowers and the uses of the tree.

Footnote extract from Linnaeus on separate form.
