WLP 906

Abbreviated reference Mém. Soc. Agric. Angers 2(5): 328-339. / 1834 <1837> pl. 7.

Notes { signed at conclusion by }
 Report presented by Desvaux, secretary for the commission which included }
 Morren and Millet. } Three species of the tree Palo de vaca are distinguished.
 On pp. 337-338 there is a Latin diagnosis of Ficus voyonensis, a new species
 recognized among the three. The third is also believed to be a Ficus, but
 the determination of the species is postponed at this time.
