

BIBLIOGRAPHIA HUNTIANA / Form B — Botanical articles

Author(s) DUNHAMEL [DU MONCEAU, Henri]

Duhamel du Monceau, Henri Louis

Title Sur l'accroissement des plantes par les pluies.

Abbreviated reference *MLP 3/64* Collect. Acad., Pt. Franç. 6: 372-374. 1781.

Notes Extracted from his memoir entitled "Recherches physiques de la cause du prompt accroissement des plantes dans les temps de pluyes, etc" in Hist. Acad. Roy. Sci. Mém. Math. Phys. (Paris, 4), 1729, pp. 349-360, and put together by the editor of Collect. Acad. with the article by Fontenelle from the Hist. section of the same volume, 1729, p. 30, under the title "Sur l'accroissement des plantes par les pluies", pp. 371-372.

NB The editor contributed nothing to the article except one sentence linking the extracts from the Hist. & Mém. sections.
