

Author(s) *Emmons, Ebenezer* ^PEmmons, Ebenezer

Title *Circulation in vegetables; by...*

Abbreviated reference *Amer. J. Sci. Arts 26 (1): 99-103, 1834*
MLP 97A

Notes ^{Prof.} *E. Emmons writes from Williams College, 12 Dec. 1833.*
Prof. on the faculty, specializing in geology. E. here,
presents arguments against physiological theories of
the Scottish botanist, ~~Wm~~ Knight.
British Thomas A.

Thomas Knight may have been born in Scotland, but all his work was in England. But that is a separate entry.
