Title Voyage de la Bonite: instructions données par les commissaires de l'Académie des Sciences: botanique.

Abbreviated reference ~~Nouv. Ann. Voyages~~ ^{Sci. Géogr.} ~~[3^{me} série]~~ ⁶⁸ 4 de l'année 1835. ~~[(200)]~~ ⁶⁸ 387-388. ~~1835~~ ¹⁸³⁵ ~~December~~.

Nouv. Ann. Voyages Sci. Géogr. 68[(200)]: 387-388. 1835 [Dec.]

MLP 3531 A

Notes Instructions given to an officer of the Bonite about the botanical work to be carried out on the next South American trip of the ship. It was especially desirable to collect the araucaria of Chile, as no seeds of this had yet arrived in France. California and the Mariana Islands would also be productive fields for study and collection.
