Author(s) ^P FITTON, William Henry.

Title Notice on the junction of the Portland and the Purbeck strata on the coast of Dorsetshire.

Abbreviated reference Proc. Geol. Soc. London 2 (40): 185-187. 1838 [1835] ✓
MLP 2099

Notes Abstract of the paper read 8 April 1835. Occurrence of silicified trunks of trees in upright position with roots in a thin bed of carbonaceous clay and coarse gravel, a few feet above the oolite, in the Isle of Portland. Conclusion was that they must have grown in the places where they were found.
