

Author(s) Fries, Elias Magnus

Title Om skadliga Växter, samt deras utrotande i Kronobergs Län. [On noxious weeds
and on eliminating them in Kronoberg District]

the
MULP 762
Abbreviated reference Län. Allmogen Kronobergs Län [1] (2): 23-64. 1821.

Notes Numerous species, classified under perennials and annuals, and also as those
poisonous to man and others which are noxious as fodder, are treated in this
paper.
