

BIBLIOGRAPHIA HUNTIANA / Form B — Botanical articles

115448

B

Author(s) ^P GAUTIER-DAGOTY, Jacques

Title Sur le cassis.

MLP 3554

Abbreviated reference Observ. ^[H] Hist. Phys. 1755₈ (17): 107-112. 1756 [*after 10 Apr.*]

Notes Pp. 107-108 give the names given by the Greeks, Romans and apothecaries, of the plant later known as Ribes niger.

Give also the favoured habitats; there is no botanical description and the remainder of the article is on the febrifugal and other qualities and uses.
