

BIBLIOGRAPHIA HUNTIANA / Form B — Botanical articles

115888

B

Author(s) [ED?] *Hifford, William (Ed.)*

Title *The rise and progress of horticulture.*

MUP 3603

Abbreviated reference *Quart. Rev. (London) 24(48): 400-419. 1821 [Jan.]*

(X)
Notes Includes pp. 416-419 a review of the Transactions of the Horticultural Society of London, and of the Memoirs of the Caledonian Horticultural Society, in which the reviewer outlines the foundations of both societies and compares the relative merits or failures of their publications.
The rise and progress of horticulture is the running heading and the history of horticulture is the main subject of the article. The titles of the above publications appear at the beginning of the work as its title.
