

22. Another sub-variety, without thorns.

23 Robinia tortuosa

24 Tortuosa major

25 Robinia tortuosa latifolia.

26 Tortuosa flexuosa

27. " maxima

28. " pyramidata

29 " minor.

30 " pendulata

31. Robinia sophorae folia

32. Sophorae folia major

33. Robinia sophorae - folia minor.

34. Sophorae folia strictu

35, sub-variety, without thorns.

36. Microphylla, sive myrtifolia.

37. Mimosaefolia.

38. Robinia inermis sive umbraculifera, (although Candolle put it with common acacias).

39. Robinia sepium.

Robinia viscosa: its history, description and varieties.

1. Viscosa horrida

2. Viscosa hybrida or dubia.

3. Viscosa hispida

4. " " heterophylla

5. " " rubra

6. " " alba

7. " " alba inermis

8. " " maculata

9. Formosissima sive violacea.

10. Virens

11. Speciosa

12. Speciosa stricta

13. Verrucosa

14. Verrucosa major.

15. Nigra

16. Cylindrica sive gondonia.

Robinia hispida : its history, description and varieties.

1. Hispida arborea.

2. " " macrophylla

The author was a cultivator.

Author(s) GOMBAULT, Charles.

Title Sur les robinia pseudo-acacia, viscosa et hispida.Abbreviated reference Mém. Soc. Roy. Sci. Orléans. 1: 57-70. 1837. [3 Mar. 1837].
Mém. Soc. Roy. Sci. Orléans 1: 57-70. 1837 [3 Mar.]
