

Author(s)

Graham, Robert

Title

Notes regarding some of the plants observed during the last year, in excursions from Edinburgh, especially some new stations for those of rare occurrence, or concerning the geographical distribution of a few which are more common.

Abbreviated reference

~~Edinburgh New Philos. J. 21 (42): 311-315. 1836.~~

MLP 510 ^A Edinburgh New Philos. J. 21(42): 311-315. 1836 [Oct.]
