^p Granier, Jean

Title

Dissertation botanico-historique sur la mandragore.

Abbreviated reference

~~Nat. Consid. Différens Aspects (Bertholon de St. Lazare & Boyer).~~
~~4 (2): 113-122. 1 pl. 1788~~

Nat. Consid. Différens Aspects (Bertholon de St. Lazare & Boyer) 4(2): 113-122. 1 pl. 1788

MLP 3477A

Notes

The point of the article, as the author says, is to make known Atropa mandragora, to indicate its real qualities and to dispel the number of prejudices against it. The plate is included in the pagination and is p. 130, not col.
