B

Author(s) GROGNIER, L [ouis] F [urey] x

Title Sur d'autres objets agronomiques, présenté par M. Madiot.

MP 2662
Abbreviated reference Compt. Rend. Trav. Soc. Roy. Agric. Lyon 1818: 131-132. 1819.

Notes Triticum monococcum, sown at the nursery in 1814 and wrongly called dry rice of China. Madiot had not recognised in it the botanical characteristics of the genus Triticum; also Attriplex hortensis viridis.
