Title Sur une espèce de cerisier japonais; par M. Madiot.

MP 2662

Abbreviated reference Compt. Rend. Trav. Soc. Roy. Agric. Lyon 1821/1822: 127-128. 1822.

Notes Abstract.

Description of a type of cherry tree which, it was believed, originated around Disma, a town in Japan; the seeds were found mixed with a lot of others and which had been sent to France from abroad. No name given.
