Title Sur une variété de noisetier à feuilles pourpres; par M. Madiot.

MLP 2662

Abbreviated reference Compt. Rend. Trav. Soc. Roy. Agric. Lyon 1822/1823: 56-57. 1823.

Notes

Abstract.

Seeds given to Madiot by M. de Freminville who collected them from an old tree stump with bronze coloured leaves on his estate at Bresse. The new nut tree was at that time in the departmental nursery.

Characteristics of the tree given and a description of the nuts.
