Title Sur le pavia de la Floride, à longues grappes; par M. Madiot.

MP 2662

Abbreviated reference Compt. Rend. Trav. Soc. Roy. Agric. Lyon 1822/1823: 64-65. 1823.

Notes Abstract of a notice.
Notes on the fruit of Esculus macrostachia, which Michaux senior had brought from Florida in 1797 or 1798. Fruits were like sweet chestnuts. Bosc said that the same tree remained dwarfed in the vicinity of Paris and the fruits did not ripen.
