

Author(s) Guthrie, Matthew

Title Account of a remedy [*Rhododendron chrysanthemum*] which is used in Siberia against gouty and rheumatic affections.

MP 2945

Abbreviated reference Med. Philos. Comment. Soc. Edinburgh 5(4): 434-436. 1778.

Notes Practically the entire article is quoted from a letter written to Dr. Duncan by Dr. Matthew Guthrie in St. Petersburg, who in turn has the information from "his friend Professor Pallas."
