

Author(s) Hammer, [Christopher]

t/ Title Bekjendtgørelse og Underretning om Norsk Naturalkammer og om en Naturkünstler for
at tillave Naturing af alle tre Naturriger til Naturkammeres og Naturskabes
Indretning. [A report on a Natural History Cabinet in Norway, and on techniques
permitting all three of the natural kingdoms to be represented therein]

MLP 3458
Abbreviated reference Minerva (Kjøbenhavn) 1794.[IV](10): 1-13. 1794 [Oct.]. ✓

Notes In the table of contents the editor appends an apology for publishing the paper
here, as information on its having already appeared elsewhere did not arrive in
time to change the makeup of the issue. Presumably the reference is to a paper in
m. Topogr. J. Norge of the same year. The article is dated at conclusion
29 August 1794.
