Author(s) HAWKINS, (Sir) Christopher

Title On two apples, cultivated in Cornwall.

MLP 1370

Abbreviated reference Trans. Hort. Soc. London ed. 2, 2: 74-75. 1818.

Notes Read March 2, 1813.

In a letter dated Argyll Street (London), 2d March 1813.

One of the apples was a "new sort" discovered 10-15 years previously in a cottage garden near Truro. It went by the name of July flower apple - description of the fruit & leaf. The other apple was called Aromatic apple, etc. see notes for ed. 1.
