

Author(s) ^p HÉNON, [J.L.]

Title Excursion botanique à la Frêta.

Abbreviated reference ^{MLP 930} Mém. Soc. Roy. Agric. Lyon 1835/36 ^{Picm. Pl.} ~~188~~: 188-190. 1837.

Notes Extracts from a communication made by Hénon after a visit to the country house, la Frêta, to see if certain rare plants introduced there had survived. Trees to have survived were Juglans fraxinifolia, and a walnut tree with ash-like leaves. Bot. name not given.
