

Author(s) Herholdt, J^p~~X~~oahn~~X~~D^p~~X~~aniel~~X~~

Title Physiologiske betragtninger over forskjellen imellem planten, dyret, og mennesket, i henseende til instinct, sands og intelligents. [Physiological consideration of the differences among plants, animals and man, as regards instinct, sense and intelligence]

Abbreviated reference ~~Skand. Litteraturselsk. Skrifter 22: 173-324. 1827.~~

Skand. Litteraturselsk. Skr. 22: 173-324. 1827

MLP 1320 A

Notes Plants are treated only under the concept of "instinct", in the first part pp. 174-194. Paper uncompleted, as the promised treatment of "intelligence" did not appear, at least not in the series, which ends with the following volume number 23.

Author(s) Herholdt, Johan Daniel

Title Physiologiske Betragtninger over Forskjellen imellem Planten, Dyret, og Mennesket, i Henseende til Instinct. Sands og Intelligents.
