

Author(s)

H. P. Kiss, Mr.

Title

on smut in wheat.

Abbreviated reference

New South Wales mag. 1 (5): 268-273. 1833 [Dec.]
WLP 3515A

Notes

Proposes steeping seeds in a copper sulphate solution as an antidote to the disease.
Scoffs at the idea that barley plants have any connection with the disease.
