B

Author(s) ^pHOLLINS, William, ^pPITT, William, ^pHOLT, John, ✓

Title On the cause and cure of the disease called the curl in potatoes.

Abbreviated reference Repert. Arts Manufactures 15 (85): 41-51. 1801 [July?]
MLP 2974 15 (86): 113-118. 1801 [Aug?]

Notes From: Trans. Soc. London ^{Encour.} ~~Encour.~~ Arts. n.v., n.d. Full articles.
Papers submitted to the Society for the gold medal or £30 awarded for the best entry
on the nature of the disease called the curl and suggestions for an effective cure.
These are three papers submitted separately by the above persons, but put here
under the above collective title.
The articles do not have separate titles.
