

Author(s) ~~[Hooker, W. J.]~~ William Jackson (str)

Title Byttneria heterophylla.

Abbreviated reference ~~Bot. Miscell. Hook. 1: 291-292. 1830.~~
MLP 384A Bot. Misc. 1: 291-292. pl. LXI. 1830
~~Tab. LXI~~

Notes

The short description of the name "Byttneria heterophylla (Hook.)" apparently was written by Hooker; a long description is added "copied from a description made from living plants... by Mr. Newman..."
Newman prop^d as a new genus, under the name of "Telfairia nobilis."
