BIBLIOGRAPHIA HUNTIANA / Form B — Botanical articles

B

Author(s) HOOKER, William Jackson

Title Loeflingia Texana

MLP 635

~~CLXV~~ [1st numb. p.]

Abbreviated reference Icon. Pl. 3 (2): pl. (CLXV) 1840 [Jan.-Feb.]

Notes The plate above, although numbered 275 should have been numbered 285 and in fact illustrates Trifolium macrocalyx and not Loeflingia Texana. The plate representing the latter plant in fact comes after plate 284 and opposite the description of Trifolium. There is a note to this effect on both pages of descriptive text and the plate numbers have been altered accordingly, but remain bound incorrectly.

Number on plate incorrectly as "CCLXXXV"
