B

Author(s) ⁸ Hornemann, Jens Wilken

Title [Dr. Vest of Clagenfurt missed having his name commemorated by
a botanical genus]

Abbreviated reference J. Udenl. Lit. ^([7]) 1: 64. 1810 [Jan./mar.]
MCP 3309A

Notes In a footnote to the translated review of Willdenow's Enumeratio
plantarum Horti regii botanici Berolinensis, pts. 1 and 2, Hornemann
laments the delay in the publication of the 6th volume of "Natur-
historie-Selskabets Skrifter" [Does he mean "Kongel. Danske Viden-
skabs-Selsk. Skr.?"], in which volume Vahl had described a new
genus Westia.
