Notes Report mentions that the travels of Ehrenberg and Hemprich were to be published in a work entitled "Voyage de deux naturalistes dans le nord de l'Afrique et dans l'ouest de l'Asie". The first part to be published would be in 2 vol. with a map of the Red Sea. The 2nd part, which would be accompanied by plates illustrating objects of natural history, could only be produced when the authors had obtained financial assistance needed for carrying out the work.
