Author(s)

Hunter, William

Title

Remarks on the species of *Piper*, which are found on Prince of Wales's Island.

Abbreviated reference

MLP 2664⁴⁰
Asiat. Res. (London, ~~1809~~)

9: 383-392, 1809

Notes

(of *Piper*)
Five species, one doubtful, are described. In describing *Piper* culture, there are references to plants used to support the *Piper* vines: *Morinda* and *Erythrina*. See also vol 11: 565 for identification of the doubtful species.
