B

Author(s) IRWIN, (Major).

^p Irwin, Frederick Chidley

Title The Swan River.

Abbreviated reference Alexander's East India Colon. Mag. 13 (74): 38-41. 1837 [Jan.] .

MLP 3018

Notes Description of part of the Swan River district in Western Australia.
Includes an account of the vegetation and lists the vegetable products which would grow in abundance "if only a little common pains be taken". Vines planted in 1831 had done well. The blue gum tree was indigenous.

The State's position of Western Australia, Nicholson 2: 509
commonly called the Swan-River Settlement.

80 Lond. 1835.
