

Author(s) J. A.

Title In geographicam plantarum intra Sveciam distributionem Adnotata, quae Gratia etc.
etc. proponit Alexis Ed. Lindblom.

Abbreviated reference Svenska Litt.-Fören. Tidn. 1836(44): 689-694. 1836 [2 Nov.].

Notes

In reviewing the work, the reviewer corrects some minor oversights and adds his own observations on the range of *Phaca campestris* "on Swedish mainland in addition to Öland"; "*Calypso borealis* has now been found within the boundaries of Sweden".

Apr. 74 Sm.
