

Author(s) J.-F.-R.

Title Écrits sur les lieux au commencement de 1821.

Abbreviated reference J. Voyages Découv. 13 (39): 5-37. [Jan.] 1822✓

J. Voyages Découv. 13(39): 5-37. 1822 [Jan.]

MLP 3310 A

Notes Extracts from an unpublished work on Senegal, chapters 2 and 6.

Notes on vegetation on higher interior ground: geranium, cida, hibiscus.Trees: latania, ebony, gum-tree, adansonia digitata.

Agriculture: millet, calabash, water-melon, cotton tree.

On alluvial soil bordering the Senegal River:

Trees: tamarind, mimosa, nauclea africana, latania.

Agriculture: holeus (holcus?) sorghum, batatas, tobacco.

While in Senegal the author planted the first orange, lemon and banana seeds, wherever he thought they would flourish.
