

Author(s) ^P JUSSIEU, [Antoine Laurent?] de

Title Observations on the natural family of the Amaranthaceae.

[21]

Abbreviated reference Ann. Bot. (König & Sims) 2, ~~1806~~ 274-277. 1806. [1 Oct. 1805]
MLP 137

MLP 165

[22]

Notes Transl. article from: Ann. Mus. Natl. Hist. Nat. ~~vol. 2, p. 131 etc.~~
26 131-135. 1803 [June]

Editors note: This and the following paper were published before articles 1 & 2 on subjects of Gaertners observations. It was originally intended to abridge these articles in the review of the Ann. Mus. Natl. Hist. Nat., but it was realized that too much of the content would have been sacrificed and they had therefore been translated complete, and inserted here, though somewhat out of order.
