

BIBLIOGRAPHIA HUNTIANA / Form B — Botanical articles

Author(s) TESSIER, [Alexandre-Henri], [French agronomist].

Tessier, (abbé) Henri Alexandre

Title Rapport fait par, au nom du Comité d'agriculture, sur les travaux de plantations de M. Geslin.

Abbreviated reference

Bull. Soc. Encour. Industr. Natl. 30 (327): 434-435. 1831 [Sept.]

MLP 425 A

Notes Report by Tessier on a letter and illustrations sent by Geslin in which he outlined the work of tree-planting he had carried out on his land. Trees grown in nurseries and thereafter replanted were: Swiss poplar, Italian poplar, white Dutch poplar, sycamore, plane, apple, pear.
