Author(s) ^f THOMPSON, Thomas_X

Title Mildew: [replies to Arthur Young's questionnaire].

Abbreviated reference ^{MTP 3914} Ann. Agric. Other Useful Arts 43 (254): 497-500. 1805.

Notes Thompson himself had no opinions on the causes of mildew, but "his intelligent friend William Stickney of Holderness" attributed it to fungi caused by atmospheric conditions.
