

BIBLIOGRAPHIA HUNTIANA / Form B — Botanical articles

Author(s) [TIMBS, J? ed.]

Title Moss roses.

MP 3081

Abbreviated reference Arcana Sci. Art. ed.2, 1828: 161. 1828.

Notes A few leagues from Evora in Spain was a small village called Alcovas de Roses [Rosas?] because of the quantity of moss roses growing wild about its hedges in all directions.
