Title Et ganske ypperligt indenlandsk blodrensende Middel, overmaade nyttigt med Ringorme og andet Udslæt, gammel Verk, Saar o. a. m., af en indgrøet, helst galantskarphed i Blodet. Ogsaa en Slags Opdagelse. A quite remarkable domestic remedy for purifying blood, especially effective against ringworm and other types of rash, old aches, sores, and other such chronic diseases of the blood, particularly of venereal nature. A new discovery.

Abbreviated reference Sundhedsblade 1785/86 (40): 313-320. 1786 [22 June];
MLP 3682 1785/86 (41): 321-325. 1786 [24 June].

Notes The source of the effective remedy, earlier reported by Jean Razoux and again by Joseph Bartheleme Carrère, appears to be a species of Solanum, nigrum or hortense, or bittersweet.

Jan. '74 Sm.
