1804 : 4-31 . 1805
(~~ANNA 4.7~~) MCP 2848A

Notes

Reports on the activities of Felipe Escameas in
planting grapes and trees in la Villa de Larraga;
on the educational activities of the Escuela de
agricultura, with topics on which students presented
dissertations; also on activities of the Escuela de Botanica
headed by Pedro Gregorio de Echeandia, adding that the
Society continues to support the activities of the Jardin Botanico
