P Verneux, J. T. (Ed.)

Title Précis d'une excursion de M. Leschenault de Latour dans l'intérieur de la presqu'île de l'Inde

MLP 3310 A
Abbreviated reference

J. Voyages Découv. ed. 2, 6(20): 301. 1822

Notes Two voyages to the interior of Peninsular India, 1818 and 1819, both for the purpose of acquiring:

- 1) Information on the culture of the poppy for opium
- 2) To procure seeds of several varieties of cotton
- 3) To collect species of seeds and useful plants, especially the *Berberis*

In addition wants to bring back from Ceylon the cinnamon, to obtain *Marsdenia tinctoria* from Sumatra, *Asclepias tingens* from Pegu (Burma) and *Polygonum tinctorium* from China.
