

## BIBLIOGRAPHIA HUNTIANA / Form B — Botanical articles

**Author(s)** VILMORIN, [Pierre Louis Fr.].

*P Vilmorin, Pierre Louis Francois Levêque*

**Title** Rectification au sujet du gama-grass.

*MLP 3942*  
**Abbreviated reference** Cultivateur (Paris) 13 (6): 341-342. 1837 [June]. ✓

**Notes** A forage crop from Hudson Bay area had been introduced into England and had been mistakenly called gama-grass (Tripsacum dactyloides). Vilmorin had been in contact with the Royal Society of Agriculture and had written about the so-called "gama-grass" in the 1837 ed. of Bon Jardinier. After having received seeds of the plant he realized that they were not those of gama-grass.
